PROJECTS

MC447

PROJECT UPDATES

MC447: MCC is partnered with ES Wagner to install a 1270' long drainage structure to provide drainage for future expansion of Charlotte Douglass International Airport. The project is underway and is one of the highest volume single structure projects in Mountain Creek's history at over 13,000 CY of concrete and over 2 million pounds of rebar.

MC450

MC450: MCC is the general contractor on a bridge replacement in Morganton, NC over NSX railroad. The construction of this bridge involves the installation of new utilities and a large temporary bridge to carry traffic during the construction of the new bridge and roadway.

MC446

MC446: MCC is heading up a project in Catawba and Iredell counties to rehabilitate 18 bridges along I-40 including the bridge of the Catawba River to improve the safety and riding surface from Conover, NC to Statesville, NC over a 20 mile stretch.

UPCOMING PROJECTS

MC443: MCC is partnering with Flatiron-UIG JV to construction twin triple barrel box culverts under I-95 that will provide significantly increased drainage capacity after the flooding that occurred in Lumberton after Hurricane Matthew.

MC452 and MC453: MCC is partnered with GC to construction box culverts on the new Shelby, NC Bypass that will begin construction early next year.

- 10/2 - CARLOS MANGUAL
- 10/10 - DEISY CARVAJAL CRUZ
- 10/16 - ANDREW WYATT
- 10/18 - LUCAS MORALES
- 10/23 - CHRISTOPHER LUNDY
- 10/28 - ALBA GISELLE CORREA BATISTA
- 10/30 - THOMAS TAYLOR

**MIKE
HOLCOMB**

Born in Clinton, NC, Mike went to Brevard College and transferred to University of Tennessee with a Microbiology degree. He worked as a surveyor starting at 15 and throughout college. After college, he worked out of Garden Grove, CA, surveying for all Home Depot, Lowes, Circuit City, Disney, CVS, and Walden Bookstores' nationwide new build site development work. Since then, he has worked for several large corporations, including Archer Western, Lane Construction, and UIG. His hobbies are work, work, and work! When he's not working, he's with his son, Ashton, enjoying what life brings them daily. They enjoy grilling, UT Football, and the lake. Mike gives thanks to the Lord daily and takes pride in everything he does and what he has earned. We're excited to have Mike as a part of our team as our newest Construction Manager!

HIRING OPPORTUNITIES

Please email all resumes to mphillips@mtcreekinc.com, or visit our website (mtcreekinc.com) to complete an application.
