JANUARY IN REVIEW + A LOOK TO THE FUTURE

The MCC team put together our plan for 2024. We are looking forward to a very promising year!

This year, we will be reflecting on 25 years of Mountain Creek. Each newsletter will highlight a project from the past 25 years. We would love to hear from you for these upcoming issues! If there is a particular project you'd like to have highlighted, please let us know, along with why you believe it should be highlighted.

SAFETY

SAFETY SPOTLIGHT PROJECT MC444

A critical lift – Concrete Bridge Girder Set was recently successfully completed on our MC444 Project.

This was a group effort between the Macon County PD, Mountain Creek Contractors – Traffic Control, and Campbell Crane, Inc.

A pre lift meeting was held, all individuals involved were trained and informed on the task ahead, and the plan was executed well.

We appreciate all the hard work that was put into making this operation run smoothly and safely.
