A LOOK BACK AT... MCC DESIGN BUILDS

Over the years, we have had several opportunities to complete design-build projects across NC. This month, we will be briefly highlighting those jobs. To start, job 348 consisted of replacing three bridges in Davidson County and seven bridges in Rowan County.

348

BRIDGE 188

BRIDGE 353

BRIDGE 471

297-303

297-303 was a massive project that spanned over three counties. We completed one ridge replacement in Alamance County, one bridge in Orange County, and five bridges in Rockingham County.
