A LOOK BACK AT... WESTERN NC

MCC has had a large presence throughout Western NC over the past 25 years. Here is a small snapshot of our projects in Transylvania, Macon, and Burke Counties, both ongoing and completed.

Burke County

MC450 - Current

As of recently, we have launched our temporary bridge over Norfolk Southern RR and are prepared to complete the detour in the next few weeks.

A LOOK BACK AT... WESTERN NC

Transylvania County

MC387 - 2017

MCC was the GC on this double box culvert job over Boylston Creek in Brevard.

MC407 - 2019

On this project in Brevard, NC, we replaced the existing bridge on East Fork Rd over Bradley Creek with an aluminum arch culvert.

A LOOK BACK AT... WESTERN NC

Transylvania County

MC455 - Current

This ongoing project, also in Brevard, will consist of the extending of the existing culvert. In addition, we will be widening the roadway, replacing utilities, and build two roundabouts.

A LOOK BACK AT... WESTERN NC

Macon

MC435 - 2023

On this completed project in Franklin, NC, we replaced a failing bridge with a box culvert on a residential road

MC444- Current

For this project, we are replacing a bridge in Scaly Mountain, NC, just outside of Cashiers, NC

IN MEMORIAM

This past month has been extremely difficult for the MCC family. Our sympathies and prayers are with Juan Hernandez-Moran and his family as they mourn the loss of Juan's daughter Angie Maricela Hernandez Gonzales. We are devastated by the loss of our own Dionel Correa, who had been with MCC for over two years and was deeply loved by his family and friends. Most recently, our hearts are with Carlos Mangual's family as they deal with the tragic death of Carlos' brother-in-law, Magarito.

At MCC, we want everyone to feel like they are a part of the family. Please reach out to us if you are struggling or just need someone to talk to during this time. We are here to help you in an way that we can.
