FORSYTH & GUILFORD COUNTIES

FORSYTH COUNTY

As we continue our reflective journey of the past 25 years, please enjoy this snapshot of our work performed in the Winston-Salem/Greensboro areas.

MC340- On this job in the Winston-Salem area, we served as a subcontractor under the prime Dragados. This was an extensive project that spanned from 2015 to 2019 and was a unique example of environmental factors impacting our projects (in this case, a fish pond)

MC406 was a massive endeavor that involved abnormally large culverts for the Winston-Salem Outer Loop Section, with Blythe Construction being the Prime. Due to its size, this project also took several years to complete.

FORSYTH & GUILFORD COUNTIES

MC428 - With APAC Mid Atlantic as the Prime, we aided in building a small extension along the future I-74 Winston-Salem Northern Beltway

GUILFORD CO

MC401 took place at the Greensboro Eastern Loop in 2018, with ES Wagner being the Prime.

FORSYTH & GUILFORD COUNTIES

GUILFORD COUNTY

Last but certainly not least is MC427. This was a massive undertaking of equally large box culverts, successfully built by Gabriel Soto and Erick Carbajal's crews. APAC Atlantic was also the Prime on this job on Reedy Fork Parkway.

NOVEMBER 25 - CONNECTION BETWEEN SLEEP & SAFETY

IN MEMORIAM - RANDY GALLION

Randy Allen Gallion, aged 63, passed away on Saturday, November 2, 2024, peacefully at home and surrounded by his family in Marion, NC. Randy was born in Marion to Roger and Katherine Gallion, and was the brother to Doug (Tony) Gallion. He married his wife of 30 years, Kelly Gedroic Gallion, in 1994, and together they had three children.

Randy worked in road construction for over 45 years and contributed much to the local infrastructure, including the Marion Bypass, which opened in 1990.

Randy was an incredibly passionate and gifted musician and played several instruments from an early age. He formed the bluegrass band Ages Past in the early 1990s and performed at several regional festivals and events with the band as the guitarist and lead vocalist. He re-formed the band in 2020, and they resumed playing together for nearly four years. Randy was a loving and involved father and supported his children in every way imaginable, including dedicating much of his free time to coaching their baseball and softball teams.

Above all else, he will be remembered as a devoted family man.

Randy is survived by his parents Roger and Katherine Gallion, his brother Doug (Tony) Gallion, his wife Kelly Gallion and her brother Glen Gedroic, his children: Kayla Gallion, Ryan Gallion, Nicole Gallion, Jeremy Bradford, and Jamie (Bruce)

Frisbee, and a loving extended family who will cherish his memory as the strongest and most vibrant man they knew. A celebration of life is organized for those who wish to pay their respects. Details can be found on the Facebook page, "Randy Gallion's Celebration of Life."
